Membership Dues:

Please remember to pay your dues. Dues for 2017 were due August 1st, 2016. If you have not already paid please pay now.

One of the benefits of being a LLIA member is a reduced fee for your portion of the SONAR Treatment. If you have not paid for SONAR, please do so.

Every single property owner benefits from the SONAR treatment! We all saw the result with a year delay in treating the lake. It didn't take long to go from pristine to OMG what happened. Can you imagine what it would have been if we had not been able to treat this year? Keeping the lake pristine is everyone's responsibility and only a few cannot carry the load alone.
