Please make checks payable to: “**LLIA**” and send to PO Box 527, Cambridge, NY 12816

\_\_\_\_\_

The **mission** of the Lake Lauderdale Improvement Association, Inc. is to preserve and maintain a pristine lake/pond for the benefit of lake/pond owners and the community.

It is our **vision** that Lake Lauderdale and Schoolhouse Pond will be kept ecologically safe and suitable for fishing, swimming and water activities, not only for present use but for the benefit of future generations.

We **value**: Our lake waters, our association members, and our relationship with the Washington County Park, our relationship with government agencies, the expertise of our members, our youth, and our presence in the Cambridge community.
